Mills and Otten

CURRICULUM VITAE

Name:	Nobuhle Theresa Hughes
Nationality:	South African
Date of Birth:	17 September 1975
Profession:	Environmental Scientist
Professional Qualification/ Training:	MSc Botany; University of Cape Town, 2006
Professional Membership/ Registrations:	Registered Professional Natural Scientist (SACNASP- #400163/15).
Current Employer:	Environmental Impact Management Services (Pty) Ltd.

KEY EXPERIENCE

Nobuhle is a registered Professional Natural Scientist in the fields of Botany and Environmental Science with over 10 years of experience as a research scientist and an environmental practitioner. Through her work experience, Nobuhle has acquired extensive skills in project management, report writing, environmental impact assessments (EIA's) and environmental management programmes (EMPr's), as well as in public participation.

She is currently a senior environmental practitioner and project manager at Environmental Impact Management Services (Pty) Ltd, where she has conducted numerous small to complex EIA's. As such, Nobuhle has prepared and submitted many Environmental Authorisation (EA) applications as well as compiled Basic Assessments, Scoping and EIA Reports and their associated EMPr's. Furthermore, Nobuhle has conducted, often taking the management role, several simple to controversial public participation processes.
