Good day Please supply SANRAL with an A4 locality map as well as GPS co-ordinates pertaining to your application. Maps and GPS co-ordinates together with the whole application can be emailed to *** Please note that your email application will be deleted as it does not have all the information required to view it.

Response

Good day, Thank you for your email. I have attached the locality map and the kml file of the site location. Notification will be given once the Draft Scoping Report is available.

Good day, Please note that all development applications are processed via our online portal, the South African Heritage Resources Information System (SAHRIS) found at the following link: <http://sahra.org.za/sahris/>. We do not accept emailed, posted, hardcopy, faxed, website links or DropBox links as official submissions. Please create an application on SAHRIS for each EA application and upload all documents pertaining to the Environmental Authorisation Application Process. As per section 24(4)b(iii) of NEMA and section 38(8) of the National Heritage Resources Act, Act 25 of 1999 (NHRA), an assessment of heritage resources must form part of the process and the assessment must comply with section 38(3) of the NHRA. If a case already exists on SAHRIS regarding the development, please upload the documents to that case. Once all documents including all appendices are uploaded to the case applications, please ensure that the status of the case is changed from DRAFT to SUBMITTED. Please ensure that all documents produced as part of the EA process are submitted as part of the application. **PLEASE NOTE** An application fee is now required for all section 38 applications. Please ensure that the SAHRIS application contains a proof of payment as per the notice at the following link: <https://sahris.sahra.org.za/content/what-are-sahra-processing-fees-and-banking-details>. A payment of R 2 000.00 for each application is required. Please make separate payments with the specific reference numbers. Applications that do not include a proof of

Response

EIMS noted the comment from SAHRA. An application will be made on SAHRIS once the relevant environmental reports are made available for public review.

Greetings I hope this email finds you well. I just want to find out if will the Proposed Nuvest Chemical manufacturing plant project affect Transnet's Railway line. Regards

Response

Good day, Thank you for your email, I hope you are well. The Proposed Nuvest Chemical manufacturing plant is approximately 0.68 km away from the nearest railway line. I have attached an overview image (Nuvest_overview) as well as a kmz file of the site boundary (NuVest chemicals) for your reference.
