NOTIFICATION REGARDING OPPORTUNITY TO PARTICIPATE IN THE ENVIRONMENTAL AUTHORIZATION APPLICATION PROCESS FOR THE PROPOSED NUVEST RECOVERY SOLUTIONS MANUFACTURING PLANT, IN THE MIDVAAL LOCAL MUNICIPALITY, GAUTENG PROVINCE, SOUTH AFRICA.

Nuvest Recovery Solutions (Pty) Ltd (hereinafter referred to as the applicant) has appointed EcoPartners (Pty) Ltd as the Environmental Assessment Practitioner (EAP) for the undertaking of the required environmental authorisation processes. Environmental Impact Management Services (Pty) Ltd (EIMS) has been appointed by EcoPartners to assist in the compilation and submission of the required documentation in support of the following applications and for undertaking the associated statutory public participation processes:

- Environmental Authorisation (EA) in accordance with the NEMA- Listed activities:
 - GN R584 (Listing Notice 2, Activities 4 and 5);
- Atmospheric Emissions Licence in accordance with the requirements of the National Environmental Management: Air Quality Act- NEMAQA (Act 39 of 2004)- Listed activity/ies:
 - GN 859 (as amended), Sub-category 7.1, 7.2, and 7.7.

Additional listed activities may be identified during the process.

The applicant intends to develop a chemical manufacturing plant in Gauteng. The plant will be designed to manufacture approximately 30 tonnes of various chemicals per day.

The proposed chemical plant will specialise in the manufacture of sodium hydroxide (NaOH), chlorine (Cl₂) and hydrogen (H₂) through the chlor-alkali process. These three (3) intermediate products will then be processed further to produce hydrochloric (HCl) acid, bleach (12 – 15% sodium hypochlorite solution) and caustic lye (47% solution in water). The proposed project is located on 110 Batavia Road, Valley Settlements, Meyerton, South Africa parallel to the R59, Midvaal Local Municipality, Gauteng. The site is approximately 7km from Meyerton. The centre point of the site is 26. 510172°S, 28. 044223° E.

As a potential interested and affected party, you are invited to register and comment on the project. In order to ensure that you are identified and registered as an Interested and Affected Party and that your comments are captured, please submit your name, contact details, the reason for your interest or any comments, in writing or telephonically, to EIMS. Please note that only registered ISAP's will be directly informed of future project information and opportunities for participation. In order to avoid missing out on opportunities for public participation please submit ISAP registrations, or any queries, comments, or concerns with regards to this application, as soon as possible to EIMS.
