Dear Mr Mabunda

RE: Public Participation Plan for Motuoane Henneman Environmental Authorisation Amendment

The revised Public Participation Plan (PPP) received on 25 April 2024 refers.

The submitted revised PPP for the amendment of the environmental authorisation (EA) for drilling additional exploration wells and acquisition of seismic data was reviewed and adequately considers comments raised. We therefore accept the PPP for implementation prior to and during the EA process.

Yours sincerely,

.....
Dr B Sayidini
Chief Operating Officer
