Your wayleave application with project reference number 1683/JW/am dated 17 March 2025 has reference. Transnet Pipelines, a division of Transnet SOC Limited, is not affected by the proposal. Your awareness of the existence of Transnet's pipeline servitudes and concern for their integrity is highly appreciated. This authorisation shall be valid for 48 months from the date - 17 March 2025.

Please note that all development applications are processed via our online portal, the South African Heritage Resources Information System (SAHRIS) found at the following link: <http://sahra.org.za/sahris/>. We do not accept emailed, posted, hardcopy, faxed, website links or DropBox links as official submissions. Please create an application on SAHRIS for each EA application and upload all documents pertaining to the Environmental Authorisation Application Process. As per section 24(4)b(iii) of NEMA and section 38(8) of the National Heritage Resources Act, Act 25 of 1999 (NHRA), an assessment of heritage resources must form part of the process and the assessment must comply with section 38(3) of the NHRA. If a case already exists on SAHRIS regarding the development, please upload the documents to that case using the "Make an additional submission to an existing case" in the application selector wizard <https://sahris.org.za/form/application-selector>. Please ensure that all documents produced as part of the EA process are submitted as part of the application. ****PLEASE NOTE**** An application fee is now required for all section 38 applications. Please ensure that the SAHRIS application contains a proof of payment as per the notice at the following link: <https://sahris.org.za/help>. A payment of R 2 000.00 for each application is required. Please make separate payments with the specific reference numbers. Applications that do not include a proof of payment will be considered incomplete and will not be processed until proof of payment is provided. Please make use of the SAHRIS Case ID in the payment reference. e.g. 12345/38.8. Please upload the PoP using the "Make an additional submission to an existing case" in the application selector wizard <https://sahris.org.za/form/application-selector>. The case officer assigned to your case will approve the submission and begin to process the case.

Response

Thank you for your email. We will be creating an application for this project on the SAHRIS website and will upload the associated heritage reports.
