Good day, This serves to confirm that Ms. G. Mkhosana is the contact person whom you can send your reports for comments. Kind regards,

Response

Dear Ms. Mkhosana, We are currently undertaking an amendment application for the Tetra4 Powerline Project located near Virginia, Free State. During our review of the project records and applicable authorisations, the Free State Department of Economic, Small Business Development, Tourism and Environmental Affairs (DESTE) has been identified as the commenting/provincial authority for the project. To ensure that the public participation process and stakeholder engagement requirements are correctly undertaken, we would appreciate your confirmation as to whether you remain the appropriate contact through which notifications and documentation should be submitted for comment. Alternatively, if there have been any changes to the responsible officials or department, kindly advise us of the correct contact details and notification procedures. We would appreciate your guidance in this regard to ensure compliance with all applicable regulatory requirements. Thank you for your assistance. We look forward to your response.
